

**RULES AND REGULATIONS OF PH.D. STUDIES  
AT THE FACULTY OF ARCHITECTURE  
CRACOW UNIVERSITY OF TECHNOLOGY**  
**Specifications for the Rules and regulations of Ph.D. studies at  
the Tadeusz Kosciuszko Cracow University of Technology**  
(binding since the academic year 2012/2013)

**§ 1.**

**General provisions**

1. The Council of the Faculty of Architecture, Cracow University of Technology supervises the contents of Ph.D. studies at the CUT Faculty of Architecture.
2. Faculty Council members, appointed by the Dean, act as the examination board during the entrance examination for Ph.D. studies.
3. Faculty Council members, appointed by the Dean, act as the thematic board during the entrance examination.

**§ 2.**

**Course of education at studies**

1. Ph.D. studies at the FA CUT proceed in accordance with *The programme of 3<sup>rd</sup> degree studies at the Faculty of Architecture, Cracow University of Technology.*
2. Educational classes are supervised by FA CUT independent workers. Personalities from beyond the FA can be invited to deliver a lecture. Lecturers employed at the FA can participate as tutors in workshops included in the programme.
3. All the classes are obligatory.

**§ 3.**

1. A participant in Ph.D. studies is obliged to submit semester reports to the scientific supervisor and yearly reports to the manager of Ph.D. studies.
2. Failure to complete an academic year results in the removal of a Ph.D. student from the list of participants in Ph.D. studies.

**§ 4.**

**Choice of the supervisor of a doctoral dissertation**

1. The supervisor of a science work is selected from among FA CUT independent workers after Semester 1.
2. A candidate for the scientific supervisor makes a statement on adopting this function and the possibility of educational classes being conducted by the interested participant in Ph.D. studies at the supervisor's educational unit.
3. The possibility of conducting classes should be confirmed by the appropriate Director of the Institute.

**§ 5.**

**Closing provisions**

1. These *Rules and regulations of Ph.D. studies at the CUT Faculty of Architecture* make specifications for *The rules and regulations of Ph.D. studies at the Tadeusz Kosciuszko Cracow University of Technology.*
