11:30														
11:45														
12:00	ALP, 2 places													
12:30														
12:45	DESCRIPTIVE GEOMETRY													
13:00														
13:15														
13:30														
13:45														
14:00														
14:15														
14:30														
14:45														
15:00														
15:15	CR 1, CR 2													
15:30	S4													
15:45														
16:00														
16:15														
16:30														
16:45														
17:00														
17:15														
17:30														
17:45														
18:00	BASIC TOOLS OF ARCHITECTURAL PRESENTATION: DRAWING, PAINTING, MODELLING AND SCULPTURE													
18:15														
18:30														
18:45														
19:00

11:30														
11:45														
12:00	LECTURE ROOM K100													
12:30	GENERAL CONSTRUCTION AND MATERIALS SCIENCE													
12:45														
13:00														
13:15														
13:30														
13:45														
14:00														
14:15														
14:30														
14:45														
15:00	LECTURE ROOM K100													
15:30	HISTORY OF ARCHITECTURE													
15:45														
16:00														
16:15														
16:30														
16:45														
17:00														
17:15														
17:30														
17:45														
18:00	LECTURE ROOM K100													
18:30														
18:45														
19:00														
19:15														
19:30														
19:45														
20:00														
20:15														
20:30														
20:45														
WEDNESDAY														
07:00	HISTORY OF ARCHITECTURE													
07:30														
07:45														
08:00														
8:00														
8:15														
8:30														
8:45														
9:00														
9:15														
9:30	LECTURE W1													
9:45	GENERAL CONSTRUCTION AND MATERIALS SCIENCE													
10:00														
10:15														
10:30														
10:45														
11:00														
11:15														
11:30														
11:45														
12:00						LECTURE 7								
12:30														
12:45														
13:00														
13:15														
13:30
